

一帶一路 METRANS

INTERMODAL
OPERATOR WITH
THE LARGEST RAIL
& TERMINAL
NETWORK IN
EUROPE

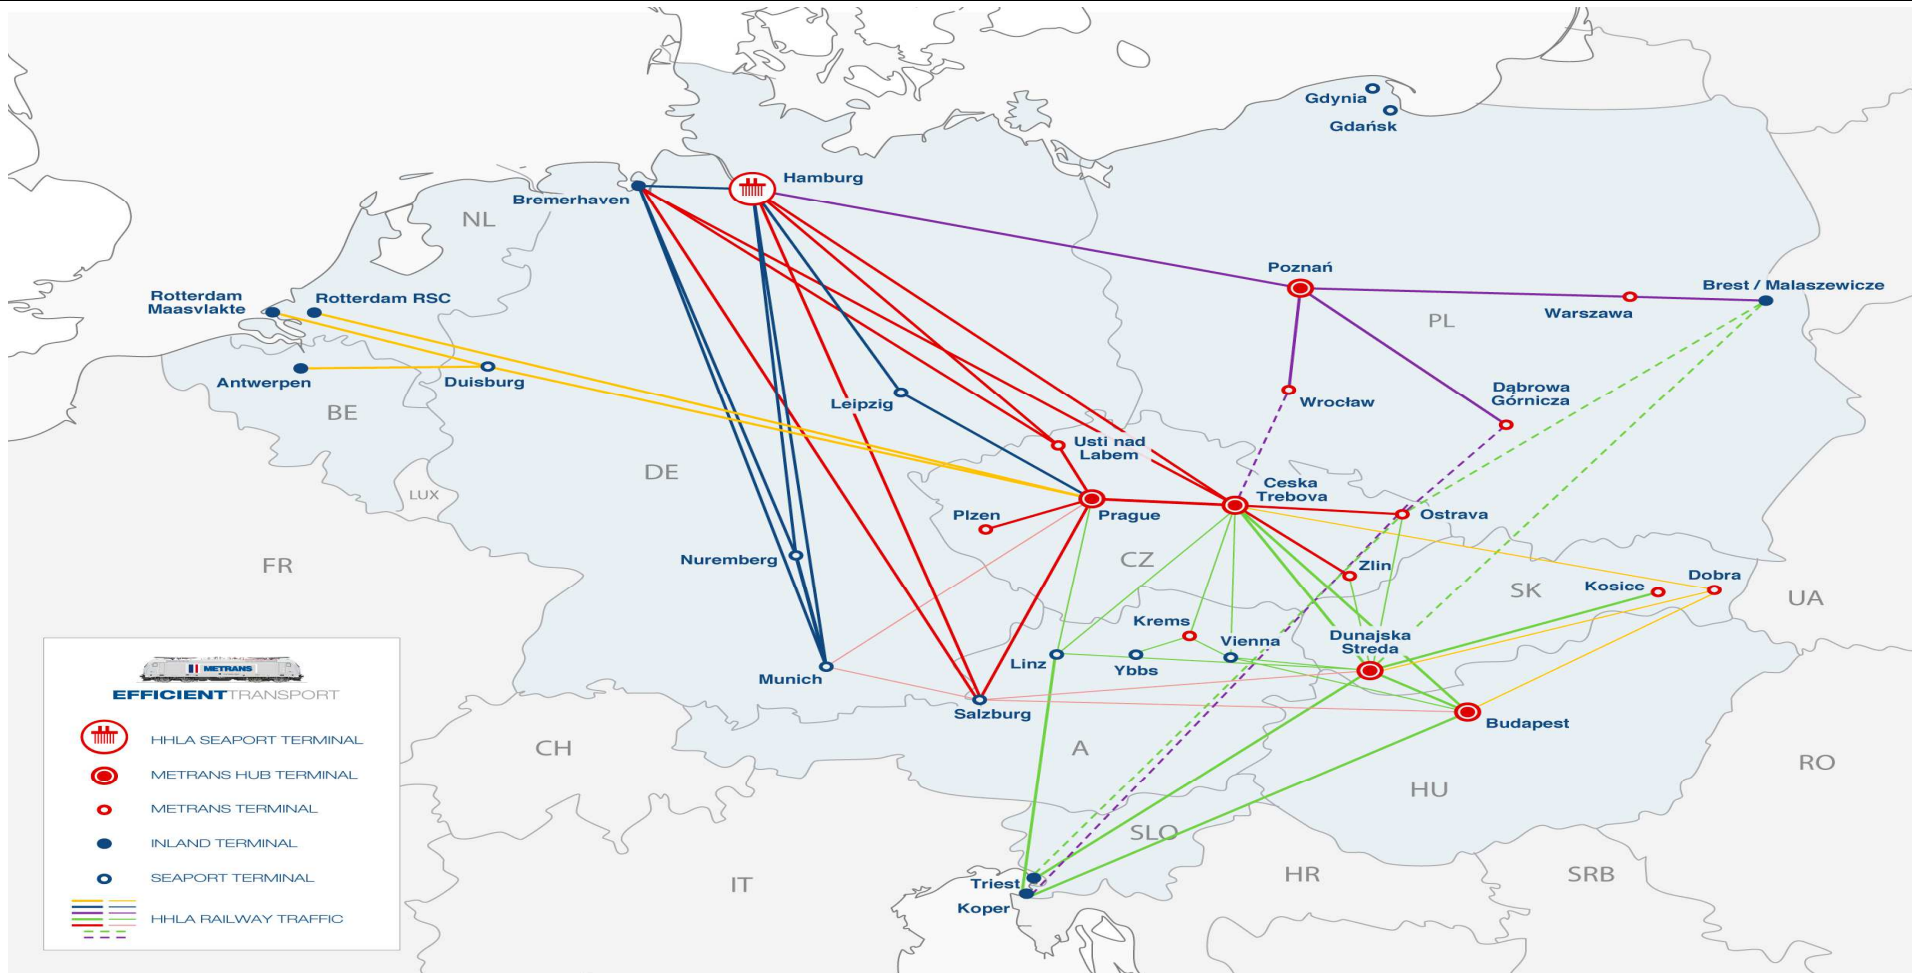

THE LARGEST EUROPEAN NETWORK

- We provide all-inclusive just-in-time intermodal rail-road transportation service
- Metrans operates own shuttle trains with cargo in maritime deep sea and short sea and for long haul trains.
- Transport of standard equipment, reefers, tank and special containers to / from the
Czech Republic / Slovakia / Hungary / Germany / Austria
The Netherlands / Belgium / Slovenia / Poland / Italy
- We connect these countries by rail with major European ports
Hamburg / Bremerhaven / Rotterdam / Duisburg
or southbound rail connection to
Koper / Trieste / Rijeka
- We connect The Belt and Road initiative to the Europe via
Malaszewice / Brest (PL / BY) or Dobra / Chop (SK / UA)
with our network of own, high sophisticated container terminals & depots and modern railway hubs in
Prague (CZ) / Prague East (Ceska Trebova,CZ) /
Dunajska Streda (SK) / Budapest (HU) / Poznan (PL)
